Mundum

The plot and setting for this play might be taken as an insight into the group mentality of the guys and gals that have worked on it. However, this is only half of it. If you had attended a couple of our rehearsals you might really understand where this, let's say, unusual piece came from. Thanks to everyone that has helped us out. And remember....
Carpe Diem

PLOT

Chris is 16 .Her father has left. She hates her mother and she is constantly annoyed by her brother and sister. The argument could be heard by the whole neighbourhood.

"I wish you were dead!"

Will her wish come true?
Is her family telling her everything and what does the church counselor have to do with it?
